

CLORIOLOE 47

\$31.54

Chlorophyll is the “blood” of plants and detoxifies and deodorizes the intestine and blood. Its structure is similar to hemoglobin, but instead of iron it contains magnesium in its central atom.

OTHER INGREDIENTS: MALTODEXTRINE, SODIUM & COPPER CHLOROPHYLINE, SILICA, PEPPERMINT OIL.

How does it help the body?

- Promotes blood purification of heavy metals.
- Eliminates the bad mouth odor.
- Eliminates body odor.
