

PALAX 23

\$26.56

Harmful substances build up in the body from different causes: food preservatives, pesticides, smog, waste produced by the body, etc. These substances are tremendous producers of cell oxidation (free radicals).

Periodic fastings based on juices and a lot of water are very beneficial, as well as taking supplements containing plant materials which help to eliminate toxins through the urine, excrement, skin, liver, lungs and mucus linings.

GELATIN, BIOXIN-3 PROPRIETARY BLEND (64 MG)
